Dear Hiring Manager,

I was excited to find the Front End/UI Developer opportunity with Goldman Sachs. As a progressive professional with software development experience, I believe that I can bring valuable contributions to your team. Here's a snapshot of what I have to offer:

My experience has stemmed from essential skills, including reactjs, javascript, typescript, nodejs, sass, git, github, express, restful api's, postgresSQL, heroku, etc. I am a collaborative team player who is always searching for opportunities to impart valuable insights.

For a greater presentation of my background and qualifications, please review my attached resume. I am eager to speak with you and greatly appreciate your consideration.

Sincerely,

Moses Kaumatule
